

OLUBARESI CHARITY FOUNDATION PROGRAM FOR THE YEAR 2024

First Quarter: January - March

Advocacy and Awareness Campaigns

Launch public awareness campaigns on pressing social issues such as gender equality, child rights, and mental health awareness in selected communities across Nigeria.

Health and Wellness Outreach Program

Organize health camps in underserved Nigerian communities, selected based on need, to provide free medical check-ups, vaccinations, and health education.

Educational Empowerment Initiatives

Conduct mentoring sessions and career guidance workshops in selected Nigerian communities to empower youth with essential life skills and career opportunities.

Second Quarter: April - June

Social Welfare Programs

Distribute relief materials and humanitarian aid to families in selected Nigerian communities affected by natural disasters, conflicts, or economic hardships.

Community Development Projects

Implement infrastructure development projects such as constructing water wells, sanitation facilities, and community centers in selected villages and towns across Nigeria.

Capacity Building and Training Workshops

Provide training in areas such as financial literacy, leadership development, and project management to enhance the capacity of selected Nigerian communities.

Third Quarter: July - September

Educational Empowerment Initiatives

Provide scholarships and educational grants to deserving students in selected Nigerian communities, with a focus on supporting girls' education.

Health and Wellness Outreach Program

Collaborate with local healthcare professionals and hospitals to offer specialized medical services to selected communities in need across Nigeria.

Advocacy and Awareness Campaigns

Utilize social media platforms, print media, and community outreach programs to disseminate information and mobilize support for advocacy efforts addressing social issues in selected Nigerian communities.

Fourth Quarter: October - December

Christmas Celebration and Community Outreach

Organize festive events, including gift drives, food distributions, and cultural festivities, to bring joy and solidarity to selected communities in Nigeria during the holiday season.

Year-End Review and Planning

Conduct a comprehensive review of the year's activities and achievements in selected Nigerian communities, while also strategizing and planning for the upcoming year's initiatives and goals within these communities.
